

Hi *Dendrobium speciosum* friends,

Here is our in-spike *Dendrobium speciosum* list for 2025!

It is special list of select, exhibition quality, and global superstars from our extensive *speciosum* collection. The pictures of the plants for sale were taken on January 28, 2025. The other pictures are from our photo archives: please note that *speciosum* flower color changes as the flowers get old. Flower color in images vary by the amount of light available when and the location where the photo was taken. Also it is possible that flower color varies year to year, maybe due to light in growing area and weather. Parentage is noted if known.

Just ask if you have questions about the plants. (805)967-1284 or e-mail sboe@sborchid.com

Full payment of plant price and for CA residents CA sales tax are required to reserve any plant.

CBO2034 Den. *speciosum* v. *spec.*
